To Whom It May Concern:

It has been my extreme pleasure to work with John Lee of Mrs. Garcia's for over ten years. I have employed John's services professionally at Carlthorp School, the Rotary Club of Santa Monica, First United Methodist Church, and the YMCA. Additionally, John has catered personal and family events for me.

I find John to be professional, courteous, and responsible at all times. The food he prepares is fresh and always tasty. Our board members compliment his fare at every board meeting and appreciate his prompt and unobtrusive service.

The menu offerings are varied. John is always appropriate and reasonable in the pricing of his food and the services he provides. It doesn't matter whether it is a group of ten or a group of a thousand, John is comfortable and competent.

It is with enthusiasm that I write this letter of recommendation for Mrs. Garcia's and John Lee. If I may answer any additional questions, please do not hesitate to call.

Sincerely,

Dorothy Menzies
Head of School
