To Whom It May Concern:

John Lee, of Mrs. Garcia's Catering, has been catering for us for over 15 years. He's done everything from small receptions to our Installation Dinners.

During the opening of the new wing of our building, John catered 7 parties for us in a two-week period. Each menu was different and everything was perfect.

His food and service is excellent. I would not hesitate in recommending Mrs. Garcia's Catering for your functions.

Sincerely,

Tara Pomposini
General Director & CEO
